Subject: Desk statement for BaP postponement
Attachments: DS_Postponing Oct15 IRIS public meeting on BaP_draft2.docx

A new draft, incorporating suggestions from Friday.

I suggest we target the announcement for tomorrow. We still need to figure out exactly how to modify the webpages. I assume we'll pull the content down, even though we're postponing the meeting, since we'll be putting up new materials at a later date (e.g., the final SAB report)? Joe, we should talk about this in the AM.
